Words of Life Series © 2013 by Kelli Sanders.

Dear Reader,

This little booklet is simply a compilation of Scriptures for you to meditate on, speak, and declare over your life.

Declaring what the word says about you is not a magical formula or incantation, but there IS power – *life giving power* – in the spoken word!

The book of Hebrews tells us the word is *alive* and *powerful*, sharper than a two-edged sword, and that it is able to help us discern what is in our hearts, and to see truth.

When you say what God says about your situation, or about yourself, it's like planting a seed in the soil of your heart that will sprout, grow, and begin to produce fruit in your life!

Read it. Speak it. Believe it. – And you will surely see your faith in God's promises rise!

Be Blessed!

Wisdom & Revelation

Start with this simple prayer,

“Lord, I purpose in my heart to believe what your word says about me, and about my circumstances. As I say what the Bible says about me, I ask you Holy Spirit to join together with me. Open up the truth of this word to my spirit, and help me to see what you see. As I speak these words, I believe they are taking root in my heart, and that I will see the fruit of the word produced in my life.”

In Jesus Name I Pray,

AMEN!
